

How's Your Patriotism Today? Save Fats And Greases

Launching a special drive to boost Daly City's salvage of fats and greases, Daly City Post No. 410, American Legion, has already disposed of 360 pounds in channels where it will soon be turned into glycerin for use in the manufacture of high explosives.

All local residents, as well as members of the post, are urged to participate in the Legion's drive to collect waste fats and greases. August Hanson, 64 Acton street, is chairman of the campaign. He may be contacted at RAndolph 5951, or those who have contributions may leave them at his address.

Proper preparation of waste fats and greases calls for placing them in a CLEAN wide-mouthed tin container (never glass), and the grease and cooked fats should be strained through a cloth.

Proceeds which the Legion realizes from the sale of the fats and greases will be used in rehabilitation work among veterans.

With the government constantly requesting more and more of these waste products for use in the making of "presents" for the Axis, Daly City is asked by local Legion members to get behind this new drive.

Give "The Boys" A Hand

More than a dozen local families have responded to The Record's appeal for furnishings, books, puzzles, and magazines for the service men stationed in the Daly City area. Making a gesture of friendship of an equally important nature, El Carmelo Parlor No. 181, N. D. G. W., this week, are arranging a St. Patrick's social, Wednesday evening, March 17, at Masonic hall for the boys. Admission is by invitation only and this marks the first move by local organizations to entertain the soldiers.

Daly City is on its way to befriending service men stationed here but her role as a generous "big sister" leaves a lot to be desired. Let's remedy that by counting our donations to the men's recreation room in hundreds, not dozens!

The Record received a letter from the soldiers, this week. It read:

Dear Editor:

The officers and men of this organization wish to thank the citizens for their kind donations in response to the article in the "Daly City Record." Their donations of furniture, magazines, games and numerous other things have gone far toward making our Day Room a comfortable and enjoyable place for the men to spend their off-duty hours.

Sincerely yours,

Gene R. Atkinson,
Second Lieutenant.

Daly City "Knew How" In Book Drive

Volumes to turn even a bookworm green with envy are stacked dozens deep on chairs, a table and bookcase at the Daly City library, 6351 Mission street, this week, attesting that this community really knows how to give out with what "keeps 'em reading."

Mrs. Jean O'Rourke, librarian, reports that 370 good books, many of them almost brand new, were donated during the 1943 Victory Book Campaign which ended here, March 5. She expressed her sincere appreciation to the local residents who responded so well to the request for books—good books—for Uncle Sam's soldiers, sailors, marines and coast guardsmen.

During the current week the books turned in by local residents will be on display at the library. Soon thereafter they will be picked up by County Librarian Clara B. Dills, who will send them on to camp libraries and USO centers in this country and overseas.

The 370 books included up-to-date mysteries, westerns, current histories, anthologies, novels, humor, and the classics. The trend toward non-fiction reading was indicated in this group of donated books with titles like "Mission to Moscow," and "Washington Merry-Go-Round."

Daly City can be proud of her taste in reading as illustrated by her donations to the drive. In addition, she can be proud of the generous spirit which brought new, spruce, interesting books in large numbers into the contribution boxes at the library.

Daly City, take a bow!

Council Takes Final Action

Start Issuing "B," "C" Supplemental Coupons

Renewals of supplemental gasoline rationing coupons for local motorists holding "B" and "C" books are now being issued at War Price and Rationing Board No. 83-12-3, located at 473 Grande avenue, South San Francisco.

Claude Cattori, chairman of the Mileage Panel, is directing the

CLAUDE CATTORI

distribution of the renewals, and they will continue indefinitely. Every motorist applying for a renewal when his first book runs out must have in his possession his old book. Any changes in his status, as far as essential driving is concerned, must be noted on the application form which he fills out at the rationing board.

Complying with OPA instructions last month, the local board is no longer required to issue permits for recapping service. Motorists who wish to get their own tires recapped may do so without a permit. However, rationing restrictions on the purchase of recapped tires are still being observed as usual, and exchange of a recappable tire carcass for a recapped tire is still not permissible without a rationing certificate.

Purpose for lifting the ban is to reduce the demand for replacement tires by encouraging recapping, which takes less than half the amount of reclaimed rubber as does a new tire.

Local Dancer To Appear On Warfield Stage Soon

When San Francisco's Warfield theatre opens its program of vaudeville, March 18, the Helene Hughes Dancers, a feature attraction of the show, will include a popular Daly City girl, the former Miss Barbara Davis.

Miss Davis, attractive daughter of Mr. and Mrs. Leroy W. Davis, 201 Citrus avenue, is, in private life, Mrs. Grant Elms. Elms was recently inducted into the Army and is receiving his air corps training at Fresno.

Miss Davis is remembered by the majority of local residents as queen of Daly City Day at the Golden Gate Exposition and a member of the cast of Billy Rose's Aquacade. A graduate of Jefferson Union high school, she has held many important jobs as model and dancer in the Bay area.

Jeff To Play St. Ignatius High

In another non-league test of the spring baseball season, Jefferson high's baseball varsity will meet St. Ignatius high school of San Francisco on the Jefferson diamond at 3:15 p. m., tomorrow afternoon.

After being rained out in their first scheduled game against Sacred Heart high school, last week, the Indians dropped their first game, Thursday, to Commerce high, champions of the San Francisco Winter league for prep schools, by a score of 6 to 1. "Red" Mullins, Commerce pitching ace, held the Jeffs to four hits in the game, meanwhile striking out 21 batters.

Set \$4,700 Goal For Red Cross War Fund Campaign

Four Chairmen Organize Daly City-Colma Area

Higher than any quota before, because of critical war needs, the goal for Daly City and Colma in the 1943 American Red Cross War Fund campaign has been set at \$4,700, it was announced, today, by John Degliantoni, Daly City general chairman.

The campaign began, last week, here under the leadership of four chairmen in a drive for contributions from every possible source so that the Red Cross can carry on its work in this war. Besides Degliantoni, the chairmen appointed here by the Red Cross are Mrs. M. Pauline Brown, Colma chairman of the women's division; Mrs. Marcie Trier, Daly City chairman of the women's division; and Mayor A. J. Gaggero, chairman for Colma's farming area.

The first canvass of business firms was made, last week, by Degliantoni, who was accompanied by Mrs. John A. Stein, lecturer for the American Red Cross who is active in the San Mateo County chapter. The canvass received successful results in the area covered, which included the major portion of the Mission street businesses, beginning at San Pedro road and continuing north to Flournoy street. The remainder of the Daly City business district will be covered, next week, Degliantoni said.

"We have contacted a good portion of the businesses in Daly City," Degliantoni said, "and, so

To Arrange More Air Raid Drills

That more air raid drills and bigger drills are needed if Daly City is to succeed in her efforts of preparing civilian defense volunteers was the unanimous view voiced by local Civilian Defense Council members at last week's meeting.

On the heels of the OCD warning issued throughout the region, last week, that "an enemy attack on the Pacific coast is still very possible" and Civilian Defense Chief Arthur J. Bodien's exhortation to "keep constantly prepared" the council began plans for a series of citywide air raid drills here. A control board practice will be held tonight at 8 p. m. in the control center in the city hall. This drill will see no field activity, as it is only a test for the control board personnel, and all volunteer workers at the center are asked to attend.

The council agreed that drilling the volunteers by practice tests in

Men Leave For Army Careers

Fifteen Daly City youths and two from Colma will leave homes and families behind, today, when they entrain for the Army replacement center at the Monterey presidio to begin wartime careers in the Army.

Part of a large selection of draftees inducted by Daly City Draft Board No. 103, the seventeen young men from this community will board a Southern Pacific train at 4 p. m. this afternoon at the San Francisco station for the trip to Monterey. Selectees from South San Francisco, Bayshore, Brisbane, and other cities in the local draft board area will accompany them on the trip, all of whom were given final examinations and inductions, last week, in San Francisco.

The contingent includes many 18-year-olds who have just recently registered with the Daly City board under selective service ruling last year.

Colma Discusses Cattle Ordinance

Regulation of cattle raising within Colma's city limits appeared probable, Monday morning, as an ordinance providing for licensing all cattle owners was introduced before the Town of Colma city council at their regular meeting.

With aims toward the maintenance of sanitation on hog farms and other cattle raising properties in Colma, the ordinance is expected to be passed at the next regular meeting, Monday, April 5. The measure, as introduced at the meeting, requires anyone who raises, keeps, or feeds cattle within the city limits to pay a license of \$100 a year, besides securing a city permit and approval by the district health officer.

If the ordinance is adopted by the council, the following steps must be taken before anyone can lawfully raise, keep, or feed cattle within Colma's city limits:

1. A certificate of sanitation must be granted by the district health officer following inspection of the property.

2. A permit must be granted by the city council after the applicant has produced his certificate of sanitation.

A license must be issued by the council, and the applicant must

Unanimous Vote To Abate Nuisances Found On Property Must Enforce Required Sanitary Regulations

By unanimous vote, Monday night, members of the Daly City council acted to take "abatement of nuisance" proceedings against the properties at 6951-6995 Mission street, and 5 and 7 Bismark street, to enforce sanitary regulations prescribed by state and county health authorities.

The action was taken after several years spent by local and county officers in attempting to have violations of the health codes corrected at the place. Fred Collins, deputy health officer for the San Mateo County Health department, and A. J. Bodien, city building inspector, testified that numerous attempts had been made in the past to have the necessary changes made, and each time extensions were granted the owner, with no apparent improvement in conditions.

The council heard a letter from the county health department, enumerating violations on the property, apartment by apartment, and these included faulty plumbing, defective wiring, unsafe condition of doors, windows, floors and stairways, overcrowding, and violations of the building code.

Arthur R. Haskins, proprietor of the rental properties, appeared with a contractor who stated he had taken the job of remodeling in respect to the carpenter work to be done. Haskins also reported that most of the material for the entire corrective work had been assembled, that an electrician and a plumber had been retained for that type of work, and asked for further time to refit the place.

Upon direct questioning, he stated that "about" forty families were at present occupying the premises, that such items as missing doorknobs and disconnected plumbing were attributable to mischievous children of tenants, and that alterations were slow because he did not wish to discommode people living in the apartments.

Members of the council voiced regrets that such action should be necessary in view of the present housing shortage, but declared their opinions that more than sufficient opportunity had been given in the past for setting the place to rights. They also pointed out that Haskins still has a period of time for rectifying these conditions.

Following recommendations by the fire commissioners, a leave of absence for entering the armed services was granted to David Franzosa, member of Company No. 6. Theodore Kiss was appointed to fill the vacancy for the duration of the war.

Among the routine reports was one from the Pacific Gas and Electric company, stating that blue globes had been installed in street lights marking the southern boundary of the dim-out zone.

Senior Wardens Name Secretaries

Two secretaries were named to serve Daly City senior air raid wardens, at the regular meeting of the group, last Friday night, March 5, at the city hall. They are C. E. Dotson, senior warden for Sector 11, and Mrs. Jean Dotson, senior day warden for Sector 11. They have already begun their new duties.

At Friday's meeting the senior air raid wardens discussed starting a first aid course for the general public. Residents who are interested in such a course are advised to contact the senior warden in their neighborhood to arrange for classes.

It was announced that a refresher course for the wardens will be held, soon, at Jefferson Union high school. Arthur J. Bo-

Telephone Company Donates To Red Cross

Following the board of directors' meeting, Thursday, March 4, President N. R. Powley announced that the Pacific Telephone and Telegraph company and its subsidiaries, Southern California Telephone company and Bell Telephone company of Nevada, are making a lump sum contribution, without specific allocation to chapters or communities, of \$85,000 to the American Red Cross War Fund.

With reference to the lump sum contribution to the Red Cross rather than allocations of the amount to individual chapters acting in its behalf, President Powley stated that the telephone company was, of course, most sympathetic to being of all possible assistance to each Red Cross Chapter in making its quota, but due to the far-flung territory with its multiplicity of communities in which the companies operate throughout the five Pacific Coast states, it is not practicable to make specific allocations of the contribution to any particular chapter or community since, notwithstanding the sizeable amount of the total contribution, such allocation has in the past created misunderstandings among chapters which did not receive a similar amount allocated to one chapter or some proportional amount to which they felt they were entitled under their particular quota.

"We trust that all chapters and communities will understand," stated Powley, "that in the making of our contribution to the (Continued on Page 11)

And right now, when there's a world at war, and every ounce of productive effort is sorely needed, any illness is a luxury that none of us can possibly afford! Why don't you take a practical, common-sense step now to get well—really well. Go call on a good medical Doctor. Give him all the facts; let him prescribe for you. Let's Get It Over With

One million five hundred thousand persons in Northern California, from Kern county to the Oregon line, must file income tax returns by March 15, no matter what Congress does regarding "pay-as-you-go" plans for the future. It's human to postpone unpleasantness until the last possible minute, or a few seconds later. This year we can't afford to be human.

It isn't human to plow through torpedo-infested waters in a slow tanker laden with high-explosive gasoline, or to charge into a machine gun nest. Income tax payments are equally necessary and unpostponable and far more comfortable.

March 15 is almost here. Instead of putting a chaotic last-day load on Uncle Sam, jamming the flow of money for war supplies, why not get that first income tax payment over with right now?

NEWSPAPERS PRAISED

Commending the press, Prentiss M. Brown, OPA administrator, in a letter to Arthur T. Robb, editor of "Editor And Publisher" magazine, said: "No finer single service in the interest of the American public has been performed during this war than the splendid handling by the nation's press of the OPA processed foods rationing program."

This public statement made by Administrator Brown must have been a pleasant surprise to publishers everywhere. By now the newspapers have become so used to being treated like a country cousin with a hare-lip and questionable mentality by bureaucrats that any slight word of appreciation from that quarter comes as a distinct shock.

DON'T LINGER SO LONG, PAL

Lighting of pipes, cigars and cigarettes will not be so leisurely in the future.

A War Production Board order calls for the snipping of from one-sixteenth to one-quarter inch off matches. By this seemingly trivial saving, about 380 carloads of lumber will be made available

for other uses, according to an estimate of the Chemicals division of WPB.

The order also limits wire stitching on match books, saves phosphorus by restricting the striking surface and scales down the amount of virgin pulp used by the industry.

Life Up At Farragut, Idaho

"Bob" Savelly, son of Mrs. Nadine Savelly, 3235 San Jose avenue, sent down this picture of himself and buddies taken up at Farragut, Idaho, to illustrate that it really is cold and that snow—lots of it—is the order of the day. Savelly is the fellow at the far right.

Speaking of Farragut, two more Daly City men have recently joined the ever-expanding forces of the U. S. Navy and donned the smart, historic uniforms of bluejackets. They are **Tom August Rancatore**, son of Mrs. M. Rancatore, 99 Evergreen avenue; and **Daniel Joseph Silvestri**, husband of Mrs. Beverly Silvestri, 59 Acton street. The next few weeks will be momentous ones in their lives as they learn the fundamentals of seamanship and undergo the rigors of the Navy physical hardening program at the Farragut training center. No doubt Savelly could give them a few pointers about that.

Legislation as it affects the public schools of the state will be discussed by Chairman Dr. Rex Turner, of the Legislative committee of the Bay Section council, California Teachers' association, at its spring meeting which will be held, Saturday, March 13, at the Sir Francis Drake hotel. Several measures of vital importance to the public schools are being sponsored by the California Teachers' association. Among the bills are those dealing with retirement, increased aid to the elementary schools, as well as one which aims to increase the minimum salary for teachers in California.

GARDEN CROPS

GIVE YOU

FLAVOR—VITAMINS and MINERALS

Hi-ho, you Victory Garden

Farmers! Come harvest day and the reward for your hard labors will be eatments as

tasty as any you ever tucked away under your napkin.

Crispy-fresh, fully ripened garden produce has flavor plus! It has vitamins at peak of vitality and minerals at full nourishment.

Use your garden crops fresh picked or pop them at once into your refrigerator. Most vegetables should be cooked in covered utensils and little water. Too much water and too much heat and air destroy their nutritive value.

Remember you are a food hoarder with a halo when you raise garden produce in your Victory Garden. Your government has called for 20,000,000 Victory Gardens. Plant and replant and beat the Axis in your own back yard.

President Hanley Thanks Volunteers For Cooperation

Announce Special Program For March 16

Mrs. Ida Hanley, president of Woodrow Wilson P. T. A., this week issued a statement of appreciation to members and friends of her unit who helped with the registration for War Ration Book Two at Woodrow Wilson school.

Those who gave so willingly of their time for this important project included Mesdames Hazel King, Irene Williams, Loretta Browning, Catherine Foreman, Martha Linden, Lela Poket, Mildred Ventura, Nell Dorrance, Pearl Higgins, Mary Crane, Lyla Eldrup, Belle Kuhn, Emma Sorg, Elsie Hesselein, Violet Hauptli, Katherine Duffy, Mrs. Clifford, Mrs. Miller and Mrs. Curtis.

The board meeting was held, Tuesday, March 9, at the home of Mrs. Hesselein, 404 Woodrow street. It was a dessert luncheon meeting. Discussion centered around the district meeting to be held at the high school, March 18. Mrs. Hanley urged all local members to attend as this is the only district meeting held at this end of the county during the year. Mrs. Hilda Heagney and Mrs. Hesselein have been appointed delegates to the district meeting.

The regular business meeting of Woodrow unit, Tuesday, March 16, will feature a special program, according to Mrs. Hanley, and she urges all members to attend. The kindergarten children will present the program. At the same meeting the nominating committee will be appointed and election of officers will follow at the April meeting.

The president's dinner will be held, Tuesday evening, March 16, at Monaco's Theatre restaurant, San Francisco, and all who wish to attend are advised to make advanced reservations with the get-together committee. Miss Clara Corradetti is in charge.

Members of the study club of Emydian Institute attended a performance of "Junior Miss" at the Curran theatre, February 23.

Miss Mary Belli and Mrs. Lenore Varni were delegates to the quarterly meeting of the National Council of Catholic Women, Saturday, February 27, at San Jose. Reverend James T. O'Dowd was principal speaker.

The institute's next regular meeting will be held, tomorrow night, March 12, at Holy Angels hall, Colma.

A brief executive board meeting will precede the March 16 whist, at 1:30 p. m.

JEFFERSON TO GIVE EXAMS FOR NAVY PROGRAM

Young men of this community, who are high seniors, high school graduates, or college students and who will have attained their seventeenth but not their twentieth birthday by July 1, 1943, will have an opportunity to take a qualifying test for the Navy College Training program, between the hours of 9 and 11 a. m., Friday, April 2, at Jefferson Union high school. R. J. Gale, of the faculty, is in charge.

He announces that this program, known as the V-12 program, has as its purpose to produce naval officers. Those who pass the qualifying test and who appear to have potentialities for ultimate selection as officers will be chosen for college training. The plan contemplates that this college training will be carried on while the men are on active duty, in uniform, receiving pay, and under general military discipline.

Those who wish to take the exam, April 2, must secure in advance an admission-identification form, which they must present when they take the test.

Other qualifications for the applicant demand that he be a male citizen of the United States; be morally and physically qualified for this program, including a minimum uncorrected visual acuity of 18/20 for each eye; be unmarried and agree to remain unmarried until commissioned, unless sooner released by the Navy department; evidence potential officer qualifications, including appearance and scholarship record.

Greyhound Official Asks Public To Aid In Travel Problems

Armed Forces Must Get First Consideration Now

Pointing out the continued need for cooperation of the traveling public in order that military personnel on leaves and furloughs may be able to travel, F. W. Ackerman, vice-president of Pacific Greyhound lines, today made the following statement:

"The primary wartime job of bus lines is moving the Armed Forces, workers in war plants, farmers and others carrying on essential wartime activities. The rest of the public should give special consideration to the large number of men in uniform who desire to travel by bus on leaves and furloughs.

"Week-ends are often the only time when these men from the military camps and bases can travel, and the bus lines ask your cooperation in making room for them. If the general public will take their necessary bus trips during mid-week, (Tuesdays, Wednesdays and Thursdays), they will be helping these men in the Armed Forces, and at the same time they too will enjoy better service.

"Other ways in which travelers can cooperate to make their bus riding more comfortable include: keeping baggage to a minimum, purchasing tickets in advance to avoid the last minute rush, and consulting a bus agent well ahead of departure time for helpful advice on schedules and connections."

Dinner Party Saturday For Legion Men, Women

Smith, August Hanson, Mrs. Ann Welsh, unit president; Mrs. Vivian Pahlka, Mrs. Mary Crane, Mrs. Catherine Foreman, Mrs. Kathleen Matzek, Mrs. Margaret Kenny, and Mrs. Naomi Murphy.

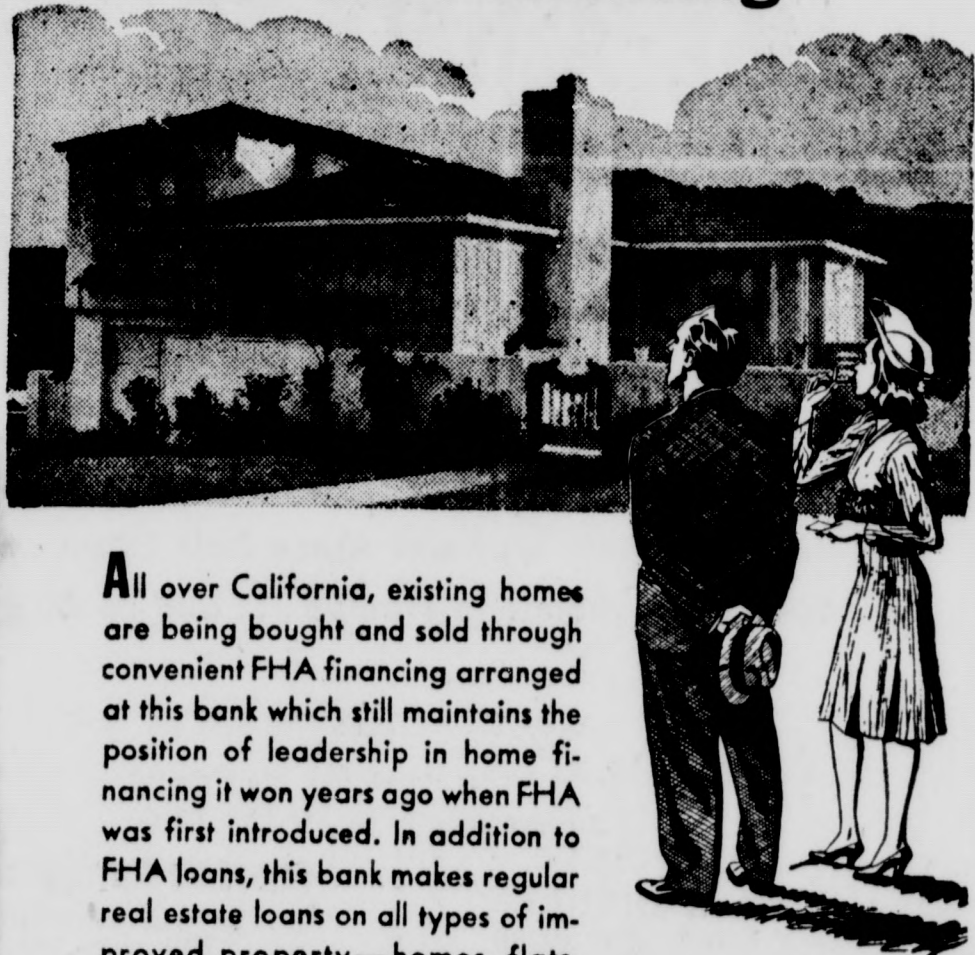

Dinner will be served at 7 p. m.

MOVING MANPOWER

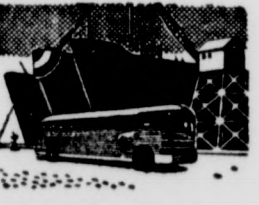

That's Our War Job!

TO MILITARY CENTERS

TO WAR PLANTS

TO SHIP YARDS

TO BUSINESS CENTERS

TO RURAL COMMUNITIES

The nation's highways have gone to war. Over them the bus lines are moving vital manpower—military personnel on important missions—selectees to induction centers—farmers on their "must" trips—workers to war plants and shipyards—business men and women on their essential activities.

Greyhound is concentrating on this wartime job, keeping its buses rolling over a vast network of routes. At the same time we are saving precious rubber, fuel and steel by mass transportation of war travelers and by expert maintenance and operating efficiency.

We are putting everything we have into the war effort... glad that our broad experience, widespread facilities and skilled personnel are available for the vital job of moving manpower.

With your cooperation, we shall continue to keep the highways at work for Victory.

WARTIME TRAVEL SUGGESTIONS

You will help the war effort and will have a better trip if you will follow these suggestions:

1. Consult your Greyhound agent in advance for useful travel information.
2. Avoid delay by purchasing your ticket well ahead of time.
3. Travel in mid-week, rather than on week-ends.
4. Carry as little baggage as you conveniently can.

SAFEWAY is headquarters for **FRESH COFFEE**
FRESHNESS in Coffee is the Thing
That Counts Most During Rationing

Coffee-Wise

In coffee, it's quality rather than quantity that counts. That's why the coffee-wise are making sure that every cup of coffee they serve offers the very best there is in coffee... flavor, aroma, inspiration and sheer taste joy.

To make every cup a super one, choose the brand carefully, make the coffee with meticulous care, and drink it slowly, musing over its goodness. One really delicious cup of coffee is worth any number of inferior cups.

BUYING COFFEE—Get your coffee only as you need it, and your coffee will be fresher. Always be certain to get the right grind for your method of brewing coffee.

Regular Grind for percolator or for boiling... **Drip Grind** for drip and vacuum makers. To hold its fragrance and flavor, keep your coffee in a tightly covered can or jar. If bought in packages or bags, pour it into a canister or fruit jar and keep covered.

A CLEAN POT pays dividends in flavor. Scrub yours well so that there are no specks of old coffee lurking in the basket or in the sides of the pot.

MEASURE ACCURATELY both the coffee and the water, and use standard measures for uniform results. For average coffee strength we suggest 1½ to 2 level tablespoons of coffee for each standard measuring cup of water. (A standard measuring cup equals from 1½ to 1¾ dinner cups.) However the quantity of coffee to use depends on how strong you like it. You'll not get as good results if you use a large pot for a small amount of coffee. If you want only a small amount of coffee, make it in a sauce pan using the good old-fashioned boiled method. Avoid leftover coffee.

Percolator Coffee—Use either hot or cold water. Start timing when the "perk" begins and "perk" slowly for 7 to 10 minutes.

Boiled Coffee—Add coffee to cold water in pot or sauce pan, let it come to a rolling boil, remove from heat and allow a few minutes for the grounds to settle. Strain and serve.

Drip Coffee—Pre-heat pot. Pour boiling water into top compartment and allow to drip slowly through the coffee. The dripping time should take from 6 to 8 minutes to obtain the peak of flavor and aroma.

Vacuum Coffee—Have water in lower bowl boiling before fitting upper bowl in place. Begin timing when the water rises and comes in contact with the coffee. Control the heat so that the coffee and water are infused together in from 5 to 7 minutes.

Ration Stamp Required on All Coffee Sales

Point Ration Information

If you're worrying about point rationing, here are a few ideas that will help you. You have your War Ration Book No. 2 one for each member of your family. Have you clipped the point value charts from the newspapers? You should and you'll find it will save you time, money and points if you study them at home.

While it's not easy to plan a week's menus complete in every detail, still, do the best you can, the same as you've always done. Now look over your point ration chart and after each rationed item write its point value and see how you're making out. Notice the low point items. These are products which are the most plentiful and will make your points go farther.

If your total number of points is more than your weekly point allow-

ance, better change your menu, and substitute non-rationed fresh fruits and vegetables, or a bowl of home-made soup instead of canned. And if you must use some foods over and over again, vary them by looking up new recipes.

Don't look on the gloomy side... we still have several hundred food items that are not rationed... from which to build good-tasting, nutritious meals. We'll get used to this idea in no time, just as we did with sugar, coffee and gasoline rationing.

Native Daughters To Entertain Service Men

Members of El Carmelo Parlor No. 181, N. D. G. W., will be hostess to a large group of service men, stationed in the Daly City area, at a St. Patrick's Day social, Wednesday evening, March 17.

Plans for the event were made at the regular business meeting of the parlor, March 3. Appointed to take charge of the affair at that time was the Civics committee, including Mrs. Florence Flynn, Mrs. Dorothy Donofrio, Mrs. Margaret Steele, Mrs. Hattie Kelly, and Mrs. Virginia Ennis.

Another important date set at the March 3 meeting was that of the semi-annual officers' whist, to be held the first Wednesday in April. Miss Irma Zerga was appointed chairman.

El Carmelo's plans for the St. Patrick's social mark the first move by local organizational groups to entertain service men in this area.

The local Native Daughters celebrated their thirty-third anniversary at a dinner party at Monaco's, Thursday evening, February 25. Friends and prospective candidates were included among the guests. Honored guests were Deputy Grand President Mrs. Mary Fischer and Mrs. Pauline Quirolo, who organized the parlor in 1910. Chairman of the evening was Mrs. Hattie Kelly, a charter member.

A matter of grave importance to the citizenry of California has been called to the attention of El Carmelo parlor, N. D. G. W., by Grand Parlor Chairman of Education Miss Clarice Cook. She reports that a measure will soon be introduced in the state legislature to abolish the position of Chief of the Division of Elementary Education, held by Miss Helen Hefferman. Miss Hefferman is described as for many years an active leader of progressive elementary education in the State of California, and the Native Daughters of the Golden West, having pioneered education in the state, wish to advise the citizenry of this district of this measure. They urge them to contact their state senator and assemblyman to urge that the bill be defeated. The Native Daughters recommend this move because they feel abolishing the position would jeopardize the future of children in this state.

Mrs. Donofrio, San Mateo county chairman of education for the N. D. G. W., has already contacted Senator Harry Parkman and Assemblyman Harrison Call, and also urges the community to investigate this measure.

Before Bed Bites

By Frances Lee Barton

THERE was a time when before bed bites were banned in many homes. But today with Dad working overtime and Mother making shells to shellac the Japs, the refrigerator and cupboard are raided nightly. Here's an inexpensive chocolate sponge cake to go with your midnight tea or coffee—or into the lunch boxes next day.

Delicate Chocolate Sponge Cake

1/2 cup sifted cake flour; 1/2 teaspoon double-acting baking powder; 1/4 teaspoon salt; 4 eggs; 1/2 cup sifted sugar; 1 teaspoon vanilla; 2 squares unsweetened chocolate; 2 tablespoons sugar; 1/4 teaspoon soda; 3 tablespoons cold water.

Sift flour once, measure, add baking powder and salt, and sift together three times. Place eggs in deep bowl, add 1/4 cup sugar and beat with rotary egg beater until very thick and light. Add flour, all at once, stirring well. Add vanilla. Melt chocolate over boiling water. Remove from heat and add immediately 2 tablespoons sugar, soda, and cold water. Stir until thick and light, then fold quickly into batter until mixture is completely blended. Baked in ungreased 8 1/2 inch tube pan in slow oven (325° F.) 50 minutes, or until done.

High School P. T. A. To Meet This Afternoon

Jefferson Union High School P. T. A. will hold its regular meeting, this afternoon, March 11, at 2 p. m. in the high school cafeteria. Mrs. Catherine Foreman, president, will open the session.

At the executive board meeting, last Thursday, a large group was present. The public whist which followed at 2 p. m. was reported a big success, and arrangements are already under way to hold another such event, following the executive board meeting, April 1.

Members of the high school unit were reminded that the Seventeenth district, C. C. P. T., meeting will be held in Daly City this month, March 18, at the high school, beginning at 10 a. m.

BETHEL 26

Bethel No. 26, Order of Job's Daughters, will hold a whist party, Friday, March 12, 8:30 p. m., at Mission Masonic temple, 2668 Mission street. Many fine prizes are waiting the lucky winners. The public is invited to attend.

On the same evening friends and members of Bethel No. 26 will enjoy an informal dance.

DATES!

People who have difficulty remembering dates are in for much worse headaches than ever before, now that rationing has made the "date" all-important.

To make life a little simpler, the Daly City Record runs a tabulation of those dates which mean food, clothing, tires, and escape of penalties in this column, each week.

March 15—last day to use sugar coupon No. 11, good for 3 pounds.

March 15—last day to pay first installment of federal income tax.

March 16—sugar ration stamp No. 12 becomes valid; is worth 5 pounds but must last through the end of May.

March 21—last day "A" book stamp No. 4, good for 4 gallons of gas, will be valid.

March 21—Stamp No. 25 in sugar book, good for 1 pound of coffee, expires.

March 22—coffee stamp No. 26 becomes valid for 1 pound of coffee.

March 25—stamps for the second period in processed food rationing may be used, due to overlapping period arranged by OPA.

March 31—last day to use processed food stamps A, B, and C.

March 31—inspection deadline for "A" book drivers.

April 1—deferments end for men of draft age in 29 non-deferable occupations.

April 15—last day to pay first installment state income tax.

May 1—deadline for non-deferable men to get war work or fight.

June 15—last day to use Coupon 17 (in the sugar book) for purchase of shoes (one pair).

Bayshore Launches Red Cross Drive

Bayshore's Red Cross War Fund drive is well under way. Mrs. William Praul has been appointed chairman by the San Mateo County chapter. Mrs. Praul has selected a committee of Bayshore residents and a house to house canvass is being made. Those on the committee are: Mrs. C. Higgins, Mrs. B. Jeppersen, Mrs. E. Robertson, Mrs. L. Waldorf, and Mrs. I. Walker.

The Bayshore Improvement club will hold their social with an evening of entertainment, Friday, March 26.

The newly elected officers for Bayshore Improvement club for the year of 1943 are: Al Taylor, president; William Praul, vice-president; B. Ford, secretary, and Mrs. O. Palazzari, treasurer.

A "Left-Over" Enricher

By Frances Lee Barton

LEFT-OVER dishes may be turned into delicious surprise dishes by carefully following this recipe for Spinach Ring. No sugar, very little butter, only one cup of milk—what more could you ask for during rationing days?

Spinach Ring

2 tablespoons butter; 1/2 cup quick-cooking tapioca; 1 1/2 teaspoons salt; 1 cup milk; 1/2 cup grated American cheese; 2 tablespoons minced onion; 2 eggs, well beaten; 1 cup drained cooked spinach, finely chopped; 1 cup grated raw carrots; 1 teaspoon vinegar; 1/4 teaspoon dry mustard; dash of pepper.

Combine butter, tapioca, salt, and milk in saucepan. Bring mixture quickly to a full boil over direct heat, stirring constantly. Remove from fire. Add grated cheese, onion, eggs, spinach, carrots, vinegar, mustard, and pepper. Mix thoroughly. Turn into well-greased ring mold. Bake in hot oven (400° F.) 50 minutes; or until firm. Unmold and fill center with creamed fish, left-over meat, or mushrooms. Serves 6.

OVERLAP PERIOD

To aid consumers who may run out of ration stamps for processed foods before the first ration period expires, the Office of Price Administration has provided a 7-day overlap period—the last week of March—during which time consumers may spend both their first period and their second period stamps.

Stamps A, B, and C are valid for the first period and may be used from March 1 through 31. Stamps for the second period may be used from March 25 through April 30. During the overlapping period of March 25 through March 31 stamps for both March and April may be used. After March 31, however, stamps A, B, and C will not be valid.

TULA COUNCIL

Tula Council No. 236, Degree of Pochontas of the Improved Order of Redmen, observed their first anniversary, last night, March 10, with a dinner party at Monaco's in San Francisco. Chairman for the gala party was Miss Irma Sanders, assisted by members of the group.

Started here a year ago, Tula Council has taken a prominent place among organizations of this community. It meets the first and third Wednesday evenings of each month at Eagles hall.

AT JEFFERSON UNION HIGH SCHOOL

C. S. F.

New members recently initiated into the California Scholarship federation at Jeff high include Mary Seidel, Jerry Kollmann, Glenn Kollmann, Nancy Sorg, Alice Marable, Barbara Blecher, Bianca Ratto, Harry Kent, Rose O'Keefe, Donald Nelson, Dorothy Nelson, Alma Simonetti, Darlene Copeland, Verna Moresco, Virginia Loomis, Ben Picetti, Jack Palm, and Marie Smith. Life memberships were awarded to John Mosman, Clayton Kollmann, and Gwendolyn Stegeman.

ASSEMBLIES

At Tuesday's assembly the guest speaker was Mrs. Edith Wilson, assistant district attorney of San Francisco. She discussed the problem of war and juveniles.

Yesterday's assembly brought a hit parade program to the student body, sponsored by the Totem Pole staff.

A poll was recently taken to determine the ten most popular song

hits in the school and Howard B. Miguel and the Indians of Rhythm utilized their findings to plan yesterday's program. Some of the songs played were: "For Me and My Gal," "Why Don't You Fall in Love With Me," and "Can't Get Out of This Mood."

At a special assembly, last week, students saw three of their classmates honored by Old Glory Auxiliary No. 2044, V. F. W. The three awards went to Conchita Morales, first; Gwendolyn Stegeman, second; and Elsie Belli, third. They read their essays to their classmates during the program. All were entitled "United We Win."

BONDS 'N STAMPS

Jefferson is really getting into the swing of things with the new program for the sale of bonds and stamps. The committee in charge includes Jerry Martin, chairman; Verna Moresco, Lois Rich, Ralph Capps, and Ken Hatt. Those on the committee for assembly publicity are Elsie Belli, John Mosman, Martin, Capps, and Hatt.

Colorful posters will soon appear in the auditorium and about

the school to urge 100 per cent stamp-buying classes. For those who buy a certain number of stamps, there's a special treat coming up. An army jeep will be sent to Jefferson and all who have earned the right will get a free ride. The committee reports that this is only one of many ideas.

Parents and other residents are urged to buy their bonds at the high school, as well as the students. During the first four days in March sales totaled \$179.35.

VICTORY GARDEN

John Harville, sponsor of the Jefferson Naturalist society, gave an assembly talk, last week, on the campus Victory Garden. He invited the students to visit the plot of land directly opposite the gym and see what can be accomplished by way of a home Victory Garden, with very little effort. Expert advice is also on tap from Gardener Parodi, who has had twenty years experience, and will be glad to advise novice gardeners.

COLOR WEEK

The student body is reported to be simply bouncing with that old patriot-

far, the results have been splendid. We appreciate the support of all of Daly City's merchants, and I hope we will have as good a response with those we will see in the future."

Degliantoni also said that any local lodges or organizations that wish to may mail a check, made out to the American Red Cross, to him at 6347 Mission street.

Mrs. Trier will be in charge of the house-to-house canvass in Daly City, and is now organizing committees in sectors of the residential area. Mrs. Martha Wegner has been appointed to head workers in the Crocker tract, while no chairmen has yet been named in the Vista Grande section.

Charged with the responsibility of Colma's contributions in both the business district and residences, Mrs. Brown has a fully organized committee working, and reports that Colma's response has been excellent. Advance publicity by R. L. Crane jr., superintendent of district grammar schools, and Mrs. Dorothy Pendergast, of Jefferson Union high school, aided the drive in Colma greatly. Notices were distributed by the Junior A. W. V. S. of Colma.

Colma's campaign workers are divided as follows: Mrs. Grace MacDonald, Mrs. E. E. Dolle, and Mrs. Betty Nicola, Garden Village; Miss Dolores Caserza, Miss Caroline Migliore, Miss Rose O'Keefe, Miss Norma Pedemonte, and Miss Bianca Ratto, Eastern Colma; Mrs. Alma Garibaldi, and Mrs. Dina Rossi, central part; Mrs. Pauline Silicani, Mrs. Tom Callan, Miss Ruth Greene, Mrs. Rose Tutty, Mrs. Rose Davy, and Mrs. Winifred Burgard, west side.

Air Raid Drills

(Continued from Page 1)
sections of the city proved ineffective as far as any instructive value to the volunteer is concerned, hence the citywide drills. As was pointed out at the meeting, the whole corps of civilian defense volunteers in Daly City and Colma must drill together.

Tonight's control board "tune-up" will possibly be followed by an attack drill, next week, although plans have not yet been completed.

Another aid to realism in the mock raids was suggested by R. L. Crane jr., head of the first aid and ambulance service. Instead of setting a specific time for the drill, Crane suggested that volunteers be instructed to watch out for a drill on, for example, Wednesday, Thursday, or Friday night between 7 p. m. and 8 p. m. One blast of the air horn could signify the start of the drill.

This policy was adopted by the council. However, this plan will not be followed until they have more practice.

Colma Discusses

(Continued from Page 1)

Judge C. E. Lowe, San Mateo county district health officer in Colma, will be given the power to revoke any sanitation certificate on property where unsanitary conditions develop after the issuance of the permit, if the ordinance is adopted.

One important provision of the ordinance is that no corrals for animals can be erected unless they are at least 400 feet off Hillside boulevard, Junipero Serra boulevard, Highway 101, or Mission street. Violation of the ordinance will mean a fine of \$300, or three months imprisonment in the county jail, or both.

Charles J. Gebhardt, newly appointed city attorney, who was sworn in at Monday's meeting, discussed with the council the possibility of combining the measure with previous ordinances concerning cattle raising. Pointing to five previous ordinances passed by the city council, Gebhardt referred to the Municipal Corporation Act for sixth class townships, which authorizes combination of similar ordinances into one. The present ordinance in its introductory stage, however, states that it does not repeal the original ordinance on the subject, which was passed by the Colma city council in 1927.

The council devoted full time at the meeting to the introduction of the ordinance, and the meeting was adjourned following the discussion.

Need For Surgical Dressings Increases

Attention—Daly City women! Your hands and your time are needed to help our wounded service men, needed desperately by the Red Cross to produce surgical dressings for Army and Navy hospitals!

To keep up with the urgent demand for dressings, the Daly City unit of the San Mateo County Red Cross, must help in shipping at least one hundred and ten thousand surgical dressings each month. Of this amount, the county chapter reports that only about thirty-five thousand are finished in the county, due to the lack of volunteer assistance.

"The War department is relying on the Red Cross for its entire supply of surgical dressings. We cannot fail them!" said Mrs. Ruth Morris, in charge of surgical bandage-making at the Daly City Red Cross workroom.

To attempt to speed up Daly City's output Mrs. Morris announces that the workroom, located at Theatre hall, above the Daly City theatre, will be open three days a week, instead of two. Hours are from 10 a. m. to 4 p. m. Mondays, Wednesdays and Fridays. If a woman cannot stay the entire work period she will be welcomed for an hour or two or as much time as she can devote on any or all of the three days.

All that is needed by way of uniform for the work are a clean wash dress and something to cover the hair.

"Won't you devote just a few hours of your time to make some wounded soldier in North Africa or in an improvised medical hut in the South Pacific more comfortable?" she asked in closing the interview.

principal, the Red Cross, rather than to the agencies, the chapters, we are endeavoring to meet our full responsibilities to the great Cause of the Red Cross and likewise to be helpful over all to all chapters and communities. The important thing as we see it," stated Powley, "is that the total fund be raised and that each of us meet our full responsibilities to see that this great humanitarian work goes forward with the funds which it necessarily requires."

view his most likely starting lineup, Coach Glenn South, Jefferson mentor, used every player he had, dividing the pitching duties up between three pitchers at three innings apiece. Bill Freeman, southpaw, who allowed four hits, looked promising for mound duties, according to Coach South. George Perada and Don Nelson, a pair of righthanders, also did pitching chores.

On the following day, Jefferson's frosh-soph team was trailing, 3-2, against the Commerce "B" team when the game was called in the fifth inning on account of rain. With a runner on base, Jefferson was making a determined try at tying it up when the game was called.

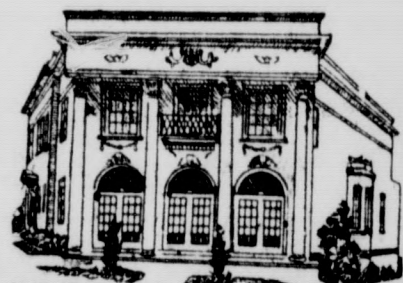

Coach South announced the following as Jefferson's PAL schedule: April 9, Half Moon Bay, there; April 13, Palo Alto, there; April 16, Sequoia, there; April 23, San Jose, here; April 27, Burlingame, there; April 30, San Mateo, here; May 7, South San Francisco, here; May 11, opening round of the Shaughnessy playoffs.
